Rebecca Lockett Heath
Forest Supervisor
Okanogan - Wenatchee National Forest

Violation of this prohibition is punishable by a fine of not more than \$5,000.00 for an individual or \$10,000 for an organization, or imprisonment for not more than 6 months, or both. Title 16 USC Section 551 and USC 3559 and 3571.

Assessment of Need and Enforcement Plan

1. Background. The Chancellor Trail #754 has several slides which have obliterated the trail or made it impassable to stock.

2. Intent of Subpart B order. The trail in the Boulder Creek section can't be safely crossed with stock due to narrow tread and cliffs. The section near Cedar Creek crossing has been obliterated by a slide and would require crossing an unstable steep slope with a swift flowing stream at the bottom. The intent is to reduce risk to the safety and health of the public that may want to use the trail.

3. Enforcement Plan. The following activities need to occur to implement this special order in a manner that results in public acceptance and safety:

<u>Action</u>	<u>Responsible Official</u>	<u>Date</u>
Prepare proposed order	Appropriate Staff with LE&I input	06/28/2011
Review proposed order	SLEO or Supervisory Special Agent	06/29/2011

Describe implementation/action taken for order, such as planned patrols, enforcement strategies, tolerance, contacts to local public agencies. Implement plan.	Appropriate Staff LEO/field going personnel	06/30/2011
